Collaborator in Challenge Organization

Collaborator in Challenge Organization

WebVision 2018

WebVision Image Classification Track

3rd Place

\$1,000 Cash Prize

Visual Understanding by Learning from Web Data (WebVision) Workshop

Conference on Computer Vision and Pattern Recognition, Salt Lake City, June 18th, 2018

presents

3rd Place Award

in

WebVision 2018 Challenge on *WebVision Image Classification Task*

to the Authors

Rodrigo Santa Cruz, Stephen Gould

Australian National University
Australian Center of Excellence for Robotic Vision

ETH zürich

Carnegie Mellon University
The Robotics Institute

WebVision 2018

WebVision Image Classification Track

2nd Place

\$3,000 Cash Prize

Visual Understanding by Learning from Web Data (WebVision) Workshop

Conference on Computer Vision and Pattern Recognition, Salt Lake City, June 18th, 2018

presents

2nd Place Award

in

WebVision 2018 Challenge on *WebVision Image Classification Task*

to the Authors

**Shengju Qian, Qing Lian, Wayne Wu, Fumin Shen,
Chen Qian, Heng Tao Shen**

University of Electronic Science and Technology of China
Tsinghua University

ETH zürich

Carnegie Mellon University
The Robotics Institute

WebVision 2018

WebVision Image Classification Track

1st Place

\$5,000 Cash Prize

Visual Understanding by Learning from Web Data (WebVision) Workshop

Conference on Computer Vision and Pattern Recognition, Salt Lake City, June 18th, 2018

presents

1st Place Award

in

WebVision 2018 Challenge on *WebVision Image Classification Task*

to the Authors

**Jianfeng Zhu, Lele Cheng, Ying Su, Lin Ye, Pengcheng Yuan,
Shumin Han, Jia Li**

Computer Vision Technology Department of Baidu
State Key Laboratory of Virtual Reality Technology and Systems, SCSE, Beihang University

ETH zürich

Carnegie Mellon University
The Robotics Institute
